

Here's how a Bank On Memphis account works for you:

Open a free or low-cost checking account—Our partners are offering free or low-cost products to help you keep more of your money.

Keep an account open with no minimum balance—Our partners will keep your account open even if you need to spend all your money each month.

Open an account even if you have had trouble with a prior account—Talk to a representative at a partner financial institution about your options.

Avoid fees—Decide for yourself if you want Overdraft Protection as a feature on your account.

Open an account even if you are not a U.S. citizen—Our partners will accept non-US IDs as primary identification.
